

# Noach

נוֹחַ

"Noah"

Do you know that God has a perfect plan for your life?

Do you know that God is a God of order?

God knows how He wants things and if we do things His way, we reflect His glory and He blesses us. Noach did things God's way and He blessed him and his family.

## GENESIS

In Genesis 6:9, we learn that Noach walked with God. In Genesis 6:18, God told Noach that he would be saved because he was righteous. Because Noach was righteous, or had faith in God, God did not destroy him with His judgment. God saved Noach and his family from the flood.

In Genesis 7-8, we learn that Noach and his wife, his sons, their wives, and many animals went into the ark and God closed the door. After God closed the door, it began to rain. It rained for 40 days and 40 nights. After everything was destroyed, Noach came out of the ark and built an altar to worship God who had saved him and his family.

# Evil is the Opposite of Good

God judged the sin that filled the world by destroying it with water. When God destroyed the world with water, He did the right thing. God is always comforted when the right thing is done because this puts His perfect order back in place. Once God's perfect order was back in place, He made a new covenant with Noach (Noah) and every creature on the earth.

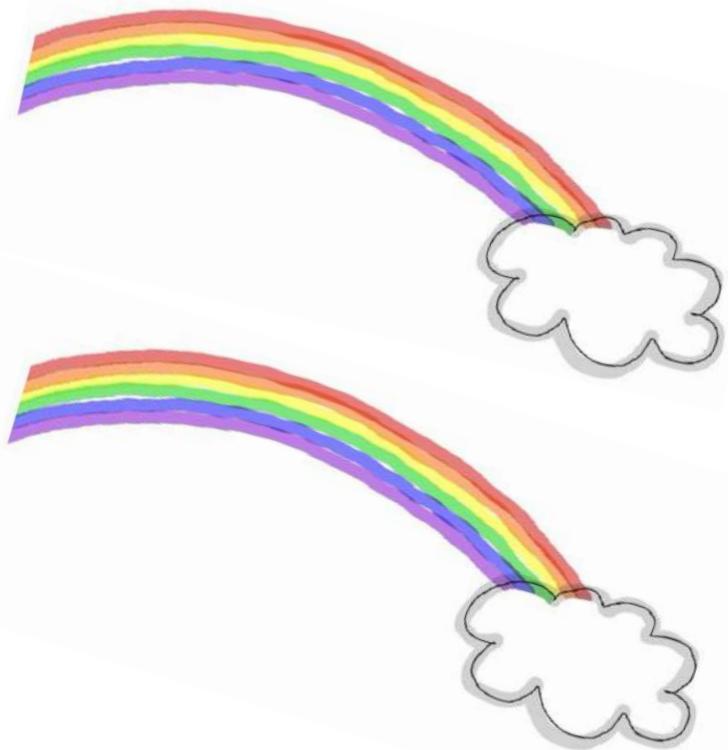

The people that lived before the flood knew how God wanted them to live, but they didn't want to live God's way. They wanted to live their way. When we live the way we want to live instead of how God wants us to live, we are disobeying God. The people that lived before the flood were disobedient and that caused everything to be out of order.

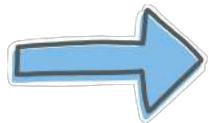

Remember, God is a God of order. His order is perfect. God knows what's best!

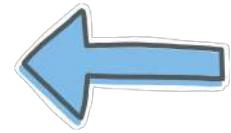

God blessed Noach and his family and promised to never again send a flood to destroy all things. God stated that whenever He caused the rainbow to appear in the clouds, He would be reminded of His promise. No matter how evil the world becomes, God will never destroy all things with water again. Whenever we see a rainbow in the sky, it reminds us that God's order is perfect and His judgment is right.

The rainbow is, also, a sign to us that God keeps all His promises. It dishonors God for the rainbow to be used for anything other than His new eternal covenant with His creation. When you see a rainbow in the sky, remember that God is a promise keeper and that He is faithful in all things.

## JOHN 10:9

## JOHN 14:6

In **John 10:9** YESHUA SAYS, "I am the door. If anyone enters by Me, he will be saved, and will go in and out and find pasture."

In **John 14:6** YESHUA SAYS, "I am the way, and the truth, and the life. No one comes to the Father except through me."

In these Bible verses, Messiah Yeshua (Jesus Christ) tells us He is the only way to God.

When Noach went into the ark, there was only one door to enter and only those on the ark were saved from God's judgment. Messiah Yeshua is like the door to the ark. He is the only way to enter into the presence of God the Father. Only those who are in His presence will be saved from His judgment because of sin. If we choose to trust Him, we will be saved from God's judgment of our sin and we will be given all the blessings of His covenant.
